UNIVERSITY OF SAINT JOSEPH
CONNECTICUT

Dear Alumni,

I hope that this message finds you and your loved-ones in good health and weathering these stressful circumstances.

I wanted to share with you the latest updates regarding the [University of Saint Joseph's response to the COVID-19 virus](#). At this time, no one in our community has been diagnosed with the COVID-19 virus. Still, we continue to take necessary precautions to promote the health and safety of all members of our community. Our website will be updated regularly and is your best source of information about activities at University of Saint Joseph.

All alumni-related events and programs in March and April have been postponed and USJ campus facilities are open only to USJ students, faculty, and staff. We know that many of you enjoy coming to campus to utilize the library or athletic center and we regret this inconvenience.

Please continue to visit our Alumni Facebook page [@AlumniUSJ](#), our Alumni Newsletter (update your information [here](#)), or the [Alumni Events calendar](#), for general information.

Please don't hesitate to contact me with questions. I can be reached at mpinney@usj.edu or at 860.231.5397. We appreciate your continued patience during these difficult times.

Sincerely,

Maggie Pinney '95
Vice President for Institutional Advancement

P.S. Please stay tuned for more information from our Alumni Relations Team on how you can remain virtually connected to your alma mater, your classmates and friends, and USJ community. We are a strong community built on Mercy values and this is the time to support one another, although from afar.
