

## A STATEMENT TO NEWBURY COLLEGE STUDENTS

The [University of Saint Joseph](#) (USJ) stands ready to support Newbury College students — both currently enrolled and those admitted for spring and fall 2019 — during this challenging time. We are committed to streamlining the admissions and financial aid process and creating a seamless enrollment process for all students.

### ADMISSIONS

Students can apply to USJ using the [Common Application](#) or the [USJ application](#). In order to expedite the application process, we will be waiving the application fee and letter of recommendation requirement for both transfer and first-year students.

Admissions will work in conjunction with the Registrar to quickly assess the credit evaluation process for Newbury College students and ensure the maximum number of credits will transfer to USJ.

### FINANCIAL AID AND SCHOLARSHIPS

The Office of Student Financial Services will expedite the financial aid review process for all Newbury College students. If you are seeking need-based financial aid, you are able to submit the FAFSA to the University of Saint Joseph using our school code of 001409.

Newbury College students are eligible to receive a range of scholarships for transfer students admitted to USJ. Additionally, USJ will extend our \$1,000 Campus Visit Scholarship to Newbury College students who schedule a [campus visit](#), and to students who participate in our [Virtual Tour](#). You can also learn more about USJ by creating your own [Viewbook](#).

Newbury College students enrolling in the B.S. in Management, Accounting, or Sport Management and Promotion programs will be eligible for a discounted M.S. in Management at USJ.

### STUDENT LIFE

With active clubs and activities based on student interest, USJ offers a wide variety of ways for you to get involved. USJ students receive free admission to most of the Carol Autorino Center for the Arts and Humanities shows, entrance to the Art Museum at the University, and most student-organized events. Full-time undergraduate students also benefit from U-Pass CT. Students can now ride buses and trains in Connecticut free of charge with a valid student ID and U-Pass CT.

If you are interested in participating in NCAA Division III Athletics at USJ, please contact Ken Bedini at [kbedini@usj.edu](mailto:kbedini@usj.edu). USJ has [12 athletic teams](#) and participates in the GNAC conference.
