

## Mapping out a Career Plan

# THIRD YEAR

- Update your resume after the summer; upload to **USJConnect**
- Meet with a career advisor early to prepare for internships on **USJConnect**
- Attend 2 career workshops or panel discussions to qualify for the Career Success program
- Continue to develop your professional network by connecting with people on LinkedIn
- Define your post-graduation career plan with a career advisor via **USJConnect**
- If you are considering graduate school, talk with your faculty, plan to take required exams during the summer before your fourth year, approach faculty to write recommendations
- Attend a career fair during the year
- Get involved on campus outside of the classroom in something that interests you
- Pursue a summer internship, summer job, volunteer opportunity, or research project
