B.S., ACCOUNTING

WHY CHOOSE ACCOUNTING?

The market for accounting graduates is at a record high, as employment of accountants and auditors grew faster than average for all occupations in 2016*. With USJ's rigorous curriculum, students focus on developing the problem-solving skills necessary for a successful career in this in-demand field.

*C According to the Department of Labor and Statistics in 2016

CAREER OPPORTUNITIES

Through USJ’s program, students complete the required educational coursework necessary to sit for the certified public accountant (CPA) exam upon completion of their bachelor’s degree in Accounting. All graduates are prepared to serve in non-profit, public, and private accounting fields as:

» Certified Public Accountants
» Auditors
» Forensic Accountants

» Real Estate Appraisers
» Tax Attorneys

A comprehensive curriculum prepares students for the CPA exam upon completion of their bachelor’s degree

Transfer students seamlessly transition from earning an associate's degree to a bachelor's degree with two years of undergraduate study
ACADEMIC DISTINCTIVENESS

As Accounting majors, students combine coursework, internships, and experiential learning, preparing them to:

» Specialize in fields like management, economics, and finance
» Understand ethical and legal aspects of business, accounting, and auditing
» Apply their vast knowledge of accounting principles and skills
» Earn an advanced degree
