OUTREACH OPPORTUNITIES
The USJ Women L.E.A.D. in S.T.E.A.M. (WLIS) group is highly involved in Community Outreach and Service.
- Workshops
- Field Trips
- Seminar Speaker Series
- Career Presentations

S.T.E.A.M. CAREERS
Looking for a way to introduce your students to future careers in S.T.E.A.M.?
- We have worked with several area schools to provide career exploration workshops. During the visit to the USJ campus, your students will meet with one of our WLIS faculty, take a tour of the campus, and experience hands-on science demonstrations in the laboratories.

S.T.E.A.M.-FOCUSED WORKSHOPS
Take your students outside the classroom to a workshop or weekend retreat?

**WE ARE LOCAL!**
Area schools come to the USJ campus; students - ranging in age from elementary to high school, participate in S.T.E.A.M.-focused workshops run by USJ faculty and students.
These workshops can focus on a variety of themes including:
- Anatomy and Physiology
- Careers in Healthcare
- Forensics
- Environmental Studies
- Research Experiences
- Humanities
- Cultural Awareness
The USJ Women L.E.A.D. in S.T.E.A.M. group was founded in 2014, and has three main areas of focus:

1. Professional Development
2. Research
3. Outreach

S.T.E.A.M. RESOURCES
Looking for a S.T.E.A.M. expert to talk to your group?
Want to incorporate more S.T.E.A.M. into your curriculum?
WE CAN HELP!
USJ is an excellent resource to find out more about S.T.E.A.M.. We have researchers and experts working in the fields of cancer biology, public health, environmental science, cultural history, and much more.

We look forward to working with you!
