WHY AN MPH AT USJ?

Our graduates will master the knowledge they need to make a difference in public health for the good of local, national, and global communities.

USJ MPH students will:

» Participate in online classes based on your schedule

» Learn more through a capstone seminar and internship that can be completed in your community

» Enroll in six credits for seven consecutive semesters for degree completion

Curriculum is aligned with the Council on Education for Public Health (CEPH).

Online, part-time program: complete your degree in seven semesters

Internship and capstone course experiences included

Preparation to impact diverse small and large populations
West Hartford, CT
Portland 204 miles
Concord 154 miles
Boston 104 miles
Providence 76 miles
New York 124 miles

ACADEMIC DISTINCTIVENESS
As an MPH student, you will combine course work and internships, preparing you to gain or enhance practical skills to be more competitive in the job market

» Experiences that improve public health through community involvement and research
» Foundational competencies in the five core disciplines (Social and Behavioral Health, Biostatistics, Epidemiology, Environmental Health, and Health Policy and Management) of Public Health
» Analytic skills for research and evaluation
