

BIOLOGY

UNDERGRADUATE AND GRADUATE STUDIES

WHY CHOOSE BIOLOGY?

As the market for professionals in biomedical sciences and the demand for scientific research increases, USJ offers a rigorous curriculum that prepares students for a successful career in the field of biology. Whether in the on-campus undergraduate or online graduate program, students learn from diverse faculty in a variety of highly-specialized courses, in subjects ranging from ecology and genetics to microbiology and parasitology.

Opportunities to conduct faculty-mentored research and present regionally and nationally

Pursue an advanced degree in Biology, Pharmacy, Physician Assistant Studies, or more

CAREER OPPORTUNITIES

In addition to preparation for advanced degrees, students receive a solid foundation to pursue careers in a number of industries, including:

- » Environmental Science
- » Government Organizations
- » Health Care
- » Research
- » Business

Earn a bachelor's and master's degree in five years

LOCATION AND CAMPUS FEATURES

» 90-acre campus in West Hartford, CT

Located minutes from Blue Back Square – a vibrant shopping and dining district midway between Boston and New York City

» The O'Connell Athletic Center

Houses a pool, indoor track, athletic training room, and newly-renovated fitness center

» Art Museum, USJ

With more than 2,000 transformative art displays, ours is one of the most sought-after campus museums in Connecticut

» Autorino Center for the Arts and Humanities

An award-winning arts center that features first-class performances in the beautiful Hoffman Auditorium

ACADEMIC DISTINCTIVENESS

In USJ's Biology program, students combine coursework, internships, and experiential learning, preparing them to:

- » Conduct original research for presentation and publication
- » Put principles and skills into practice through quantitative reasoning
- » Pursue a master's degree in Biology at USJ - a program approved by the Connecticut Department of Education and accredited by the New England Association of Schools and Colleges
- » Listed *Best Online Master's Degrees in: Biology* by OnlineCollege.org
