UNIVERSITY OF SAINT JOSEPH NOW OFFERS ONLINE CONTINUING EDUCATION COURSES AND CERTIFICATES TO THE PUBLIC

USJ expands into Continuing Education to provide more learning options for the community

WEST HARTFORD, Conn. (July 1, 2019) – There is no shortage of learning opportunities at the University of Saint Joseph with undergraduate, graduate, doctoral degree options and now continuing education courses and certificate programs, offered in collaboration with MindEdge, Inc.

MindEdge non-credit online courses and certificate programs include a range of content delivery methods, such as video, interactive exercises, learner assessments, and simulation technology to meet diverse learning styles. All courses and certificates are available at any time, allowing learners to study at their own pace and on their own schedule.

“Learning is a lifelong process. In our growing economy, current and prospective employees must continuously sustain their skills and expand their knowledge to have an advantage in the marketplace. For some people, short-term learning opportunities or refresher courses for professional skills are the right choice. Through these online programs, USJ is providing market-based courses and certificate programs to our community,” remarked Provost Michelle Kalis, Ph.D.
