**Student Certification**

I understand the initial eligibility requirements of both the federal government and Saint Joseph College for receipt of the Federal TEACH Grant Program and the conditions for renewal of the award for future academic terms. I understand that receipt of Federal TEACH Grant Program funding in no way implies or guarantees admittance to the Teacher Certification Program or Graduate Program at Saint Joseph College. Admittance to the Teacher Certification Program or Graduate Program at Saint Joseph College requires approval from the Office of Graduate Admissions. Criteria for admittance to these programs are subject to change and current requirements can be requested from the Office of Graduate Admissions. I understand the teaching requirements outlined in the Agreement to Serve and if I fail to meet the full conditions, the funds received through the TEACH Grant, including interest from the date of disbursement, will be converted to a Direct Unsubsidized Stafford Loan.

\*\*Please note:

When you sign the agreement to serve, you agree:

\*to serve as a full-time, highly qualified teacher for at least four elementary or secondary school years within eight years of completing, or otherwise ceasing to be enrolled in, the program for which you received the TEACH Grant,

\*to teach in a low-income school, and

\*to teach in a high-need field in the majority of classes that you teach during the school year.

High-need fields are

- bilingual education and English language acquisition,
- foreign language,
- mathematics,
- reading specialist,
- science, and
- special education, as well as
- any other field that has been identified as high-need by the federal government, a state government, or a local education agency, and that is included in the annual Teacher Shortage Area Nationwide Listing (Nationwide List).
