

UNIVERSITY OF SAINT JOSEPH

ALUMNI ASSOCIATION

Dear Class of 2021 Graduate,

Congratulations! On behalf of nearly 20,000 USJ alumni, it is my pleasure to welcome you to the University of Saint Joseph Alumni Association.

As a member of the Class of 1989, President of the Alumni Association, and the proud mother of two USJ alumnae, I know what an exciting moment this is for you and your loved ones. While your final year of college has been unlike any in our history, you have responded with resilience and persistence, and achieved your goals. You are officially a USJ graduate and I hope that you take great pride in your accomplishment!

Throughout your lifetime, people will ask where you went to college. I hope that you will respond with warmth and pride, when you respond that you graduated from USJ. Your USJ education has prepared you well for the future, and your success and achievements will reflect positively on you alma mater.

Your degree positions you as an ambassador of this University, and its mission and core values. You are now a member of the University of Saint Joseph Alumni family and I urge you to embrace the professional and personal connections this represents.

Please continue to stay connected to the University. The Office of Alumni Relations and the Career Development Center are resources for you and we look forward to seeing what your future holds! Congratulations to you all.

Sincerely,

Mary Dickerson '89, P'15, P16

President Alumni Association
