Message from President Free

Dear University of Saint Joseph Students:

Welcome to the 2021-2022 academic year at the University of Saint Joseph! You are part of a community of individuals who collectively are pursuing intellectual growth, preparing for citizenship and service, and seeking to contribute to a just and flourishing society.

This past year has caused each of us to address many difficult issues: community public health responsibilities, the economic and social consequences of “stay home, stay safe,” and a renewed focus on the need for racial equity and social justice. Your time at USJ will provide you with many opportunities to explore such concepts. You may decide to study a healthcare-related topic, or to take humanities courses that provide new perspectives. You could take part in projects to serve those in need, or find ways to practice USJ's Core Values of multiculturalism/diversity, respect/integrity, and hospitality. You may gain new perspectives through classroom discussions or through conversations with friends.

Throughout the coming year, USJ will not only provide you with the tools you need to broaden your perspectives, but also will remain committed to keeping you safe while working toward a return to the traditional college experience that you – and we – are seeking.

We are so pleased that you are here, and we look forward to seeing your contributions and to celebrating your successes.

Sincerely,

Rhona C. Free, Ph.D.
President

The University of Saint Joseph Facts and Information

Mission Statement

The University of Saint Joseph, founded by the Sisters of Mercy in the Catholic tradition, provides a rigorous liberal arts and professional education for a diverse student population in an inclusive environment that encourages strong ethical values, personal integrity, and a sense of responsibility to the needs of society.

The University Shield

The University of Saint Joseph shield combines the insignia of the Sisters of Mercy — the Cross and Crown — with the Coat of Arms of Saint Joseph. According to the medieval heralds, the Coat of Arms consisted of a blue field, upon which lay a silver carpenter's square, that overlays three silver lilies. The carpenter's square symbolizes Saint Joseph's occupation and is also a symbol of accuracy and truth. The lilies symbolize integrity and indicate that Saint Joseph was the earthly spouse of the Blessed Virgin Mary, whose purity is represented by the chaste white lily. Three flowers are used to represent the Blessed Trinity. In the University shield, however, the center flower is replaced by the cross which, combined with the crown, represents the Sisters of Mercy under whose sponsorship the University was founded.

University's Core Values

Catholic Identity

The University of Saint Joseph is grounded in its heritage as a Catholic institution, expressing the Catholic tradition in an ecumenical and critical manner.

Development of the Whole Person

The University of Saint Joseph encourages, inspires, and challenges all students to fully develop their intellectual, spiritual, social, emotional, physical, and leadership potential.

Compassionate Service

The University of Saint Joseph promotes, supports and facilitates caring service as an integral part of all teaching and learning experiences.

Academic Excellence

The University of Saint Joseph provides a value-centered education that prepares students as global citizens, lifelong learners, and informed decision makers.

Respect/Integrity

The University of Saint Joseph demonstrates respect and reverence for all people and fidelity in personal witness.

Hospitality

The University of Saint Joseph is a welcoming community where its relationships are based on openness, inclusivity and mutual respect.

Multiculturalism/Diversity

The University of Saint Joseph is committed to fostering the growth of an inclusive community that welcomes differences among community members and benefits from them.

History of the Sisters of Mercy

In 1932, the Sisters of Mercy of Connecticut set out to establish the first liberal arts college for women in the Hartford area. They were determined to develop a curriculum that balanced professional studies with the liberal arts; focused on service to others; and infused the Catholic intellectual tradition while welcoming students of all ages, races, religions, and cultures.

Throughout the history of the University of Saint Joseph, this inclusive mission has never been compromised. Guided by this vision, the University has flourished and is now recognized for outstanding programs that prepare graduates to serve their communities in dedicated and meaningful ways throughout their lives.

In addition to its traditional undergraduate program, the University of Saint Joseph has grown to include the following programs of study: graduate master's and certificate programs (introduced in 1959); the undergraduate Program for part-time studies; and professional doctoral degrees (2011).

Two renowned laboratory schools — the School for Young Children (1936), a nationally-accredited preschool; and the Gengras Center School (1965), a special education program for elementary, middle, and high school students — also serve to train University of Saint Joseph students.

As the University of Saint Joseph has evolved into a vibrant educational complex, it has never strayed from its original vision: a steadfast commitment to preparing students for insightful leadership and service to others.

Personal Rights and Freedoms

The University of Saint Joseph is an independent academic community consisting of students, faculty, administrators, and a board of trustees. Each individual has a part to play in the preservation of personal freedom. The University encourages freedom of inquiry, freedom of opinion, and freedom of speech; it will defend the right of anyone to advance their views, including contrary views; and it recognizes the right of dissent. These privileges exist only because free people guard them. To keep individual freedom alive, and to keep different parts of the community aware and involved, there are various organizations and channels of communication, formal and informal that exist at the University. These include reasonable access to faculty and administration. It is the University's purpose to have all members of the University community keep these channels functioning responsively and actively. Students are encouraged to use these means to the fullest extent.

Freedom of Inquiry

Students and student organizations are free to examine points of view that are of interest to them. The student body is free to invite any person it chooses to address it on any topic as long as it does not disrupt the essential operation of the institution.

Freedom of Expression

Students and student organizations are free, publicly or privately, to hold discussions, pass resolutions, distribute leaflets, circulate petitions, and take other orderly action that does not disrupt the essential operation of the institution. The use of sound-making equipment or noisemaking devices in such a manner as to interfere with University programs or gatherings is not permissible.

Communications media are free of censorship and advance approval of copy. The editors and managers are free to develop editorial policies and news coverage with the understanding that students and student organizations speak only for themselves, not in any formal way on behalf of the University.

Freedom from Discrimination

Consistent with the requirements of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, as amended by the ADA Amendments Act 2008, Section 504 of the Rehabilitation Act of 1973, and all other applicable federal and state laws pertaining to civil rights, all as amended, the University does not discriminate on the basis of race, gender, creed, color, age, disability, sexual orientation, gender identity or expression, national or ethnic origin, veteran status, or any other applicable protected status in the administration and operation of, or access to, its educational programs or activities, including, without limitation, educational policies, employment, admissions, financial aid, and other University-administered programs. The Office of Accessibility Services is designated to coordinate efforts by the University to comply with, and carry out, requirements under Section 504 and the ADA. The individual designated to coordinate efforts by the University to comply with and carry out requirements under Title IX is the Title IX coordinator. Inquiries concerning the application of Title IX, Section 504, and Title VI may be referred to the Office of Civil Rights, Boston Office U.S. Department of Education 8th Floor, 5 Post Office Square, Boston, MA 02109-3921, Telephone: 617.289.0111, Fax: 617.289.0150, Email: OCR.Boston@ed.gov.

Freedom of Association

Within the scope of University policies, students are free to organize and join associations for educational, political, social, religious, or cultural purposes.

Right to Institutional Participation Students have the right to participate in institutional policymaking through a representative student government. The role and responsibilities of the student government should be and are clearly articulated.

Right to Privacy

Students are protected from arbitrary and capricious invasions of privacy and entry into their residences. Room inspections may be conducted by University personnel acting in the performance of their duties for reasons of health and safety, to locate missing property and prohibited articles, and for the enforcement of University policies. A Room Entry Permit may be issued by the appropriate Office of Residential Life personnel when there is reason to believe that violations are occurring. Such inspections and searches may result in the offender(s) being referred to the Office of Student Affairs. The University of Saint Joseph cannot interfere with any sworn law enforcement official in conducting room searches if such a search is legal under federal, state, or local law and is within the authorized performance of the official's duty.

Freedom from Improper Disclosure

In accordance with the Family Educational Rights and Privacy Act, students shall have access to educational records maintained on them and be protected from improper disclosures to third parties without their consent. Academic and student conduct records will be maintained separately, with the exception of suspensions or expulsions from the University. Sanctions resulting in suspension or expulsion will appear on students' permanent records. Academic records are accessed through the registrar's office. Student conduct records are accessed through the Office of Student Affairs.

Student Demonstrations and Peaceful Protests

In the event that students elect to demonstrate or protest before or after availing themselves of the means that have been mentioned above, the following policy will apply:

- Protesters may march, carry signs, and assemble to whatever extent they desire, as long as it does not interfere with the activities of the University.
- Protesters may stand at, but not block, the entrance or exit of any building. Also not permissible is the use of sound-making equipment or noisemaking devices in such manner as to interfere with University classes, programs, or gatherings.
- The seizure of any facility of the University of Saint Joseph by force will constitute trespass. Trespass as well as tampering with, or the destruction of, University or individual property will not be condoned. Students engaging in coercive acts contrary to the above prohibitions will be referred to the Office of Student Affairs.

Racism or sexism in any form or manner and exhibited by any constituency is not acceptable, and its behavioral manifestation will be dealt with swiftly and stringently. The University has accepted as our definition of racism or sexism any preferential/punishing behavior based upon race or sex in any segment of the University community.

Weather Related Closing Information

The safety of all members of the University of Saint Joseph (USJ) community is always the first priority as we make decisions about campus opening delays and early closings. We also understand that it is vital to you that we keep regular operations running as smoothly and consistently as possible. USJ intends to maintain its regularly scheduled classes, avoiding school closings due to inclement weather whenever possible. While we notify media in the local University area if we have class cancellations, delayed openings, or early closings, media outlets may not have the most updated information.

How to learn if the university opening is delayed, closing early, or closed for the day:

- The USJ Alert System directly provides you with any changes to the status of day, evening, and online classes. Register for USJ alerts (text or email) [here](#). Once registered, you will receive emergency messages as requested.
- An all-USJ email will be distributed and you can access the University website, www.usj.edu, for information about the status of classes. Any change in schedule will be posted on the main page of the USJ website.
- Call the University's main line, 860.232.4571, it will be updated with information about the status of classes.
- The School of Pharmacy follows the University schedule unless otherwise communicated.
- The off-campus master's in Education sites (K-12) follow the direction of the school system where the class is located. Students participating in online classes should follow the postings on the University website, www.usj.edu.

The Office of Marketing and Communications (2nd Floor, McGovern Hall) will distribute via email at least once per year (usually in November) a detailed memo regarding weather related closings. In addition, individual faculty may make arrangements via Blackboard or other technology to post assignments and/or alternative assignments during weather related closings.

Emergency Safety Procedures

Emergency Procedures and Information

All students need to be aware of what to do in emergency situations. Any situation in which life, physical well-being or property is in jeopardy constitutes an emergency. In such a situation, first render assistance where practical and the second step is to get help.

Emergencies might require the response of medical, law enforcement or firefighting professionals. If there is a question about the need for help, it is advisable to call.

The immediate source for help is through Public Safety. When calling the Public Safety Main line 860.231.5222, an officer will respond directly, securing any necessary assistance such as the Police Department, Fire Department or ambulance service. It is best to allow the Public Safety Officer to coordinate the response to emergencies. In case of an actual fire, contact the Fire Department directly by using the nearest fire alarm or by calling 9-1-1. Once you are safely out of the building, notify the Public Safety Officers.

When calling the Public Safety Emergency Line, please speak clearly, concisely and provide a telephone number where you can be reached. Remember to state name, give your location and give a description of the emergency.

Reporting of Emergencies

In an urgent life-threatening situation, dial 9-1-1 and then if possible call the Public Safety Main line at 860.231.5222. For other emergencies, call the Public Safety Main line at 860.231.5222 (5222 from a campus phone). Public Safety will assess and then summon the appropriate emergency services. When you call Public Safety during an emergency, you must state **NAME, LOCATION, and CIRCUMSTANCE**.

Location of West Hartford Campus Public Safety Emergency Telephones (5222 Notification)

- McDonough Hall

Location of Emergency 911 Telephones (West Hartford Notification)

- McDonough Hall – 1st, 2nd and 3rd floor (in both north and south hallways)

Location of School of Pharmacy Public Safety Emergency Telephones (5222 Notification)

- Library front desk
- Student Affairs Office suite
- Student lounge entrance
- Back hallway, between boardroom and lecture hall

Power Outage Phones

If a power failure occurs on campus, our telephone system will remain in operation for eight hours allowing normal use of campus phones. However, after eight hours without power, the telephone system will become inoperable. If this occurs, white power outage phones located in the following areas would become operable, allowing us to receive and place calls until power is restored. These phones will be located at Mercy Hall, 1st floor – President’s office.

Emergency Call Boxes (BLUE LIGHTS)

There are 10 emergency call boxes located on the grounds of the West Hartford campus that will put you in direct contact with Public Safety. When activated, these phones will automatically call Public Safety, announce your location and set off the blue strobe light. The emergency call boxes should be used whenever you need to contact Public Safety or to summon additional help such as police, fire or ambulance. These lights are to only be used to summon help for an active emergency.

Blue Light System Call Box	Tower ID	Location
1	#1 L/M Lot	North east corner of L lot on the side of Madonna
2	#2 North/South Courtyard	In between North / South res halls
3	#3 Chapel Lot	North chapel lot on chapel side.
4	#4 Rosary	In between Rosary and Mercy hall in the quad
5	#5 E/F Lot	In between E/F parking on sidewalk leading to Lynch
6	#6 Library	Library - (Building Wall outside) Not a tower. Has automated message “Assistance is needed at blue light number 6”
7	#7 Mercy	Rear of Mercy and McDonough by visitor parking
8	#8 A Lot	On sidewalk leading from road up to A parking lot “tennis court lot”
9	#9 McGovern	On east side of building in-between McGovern and Health services
10	#10 Track	North of O’Connell center on sidewalk that leads to tennis courts on track side.

Fire Safety Procedures

At the University of Saint Joseph, the Department of Public Safety is entrusted with the responsibility to maintain Fire Safety on all University campuses (to include the West Hartford campus, the School of Pharmacy and the School for Young Children). Residential Hall fire drills are every semester and annually for every other campus owned/operated by the University of Saint Joseph.

The West Hartford and Hartford Fire Departments respectively provide additional support and training to University of Saint Joseph. Scheduled inspections of campus buildings and residence halls by the Fire Marshall’s office in the respective communities. In addition to their standard duties, the West Hartford Fire Department provides fire prevention education for the Residence Life Staff on the West Hartford campus.

All buildings on the University of Saint Joseph campuses are inspected annually. The University Facilities Department works closely with the Fire Marshall’s office to help ensure that all buildings are in full compliance with the Connecticut

State Fire Safety Code. In addition to that inspection; annual inspections and tests are conducted on all sprinkler systems, fire alarms, emergency lighting and fire extinguishers.

Fire Precautions and Procedures for Residence Halls

Whenever a fire alarm sounds, each resident and the resident guest(s) are to immediately leave the building and go to the nearest meeting place (see below).

Fire Drills

Fire evacuation routes are reviewed by staff regularly. Fire safety equipment is installed in all buildings and drills are conducted every semester. Should there be a need to develop an individual Personal Emergency Evacuation Plan (PEEP) due to a disability, please contact the Accessibility Coordinator.

Fire Evacuation Procedures

1. Immediately activate the building fire alarm system which will automatically notify the fire department and get help on the way. It is best to have the fire department respond and not be needed than to have them arrive too late for potential rescue. If you are in a building without a fire alarm system, dial 9-1-1 from a safe location to report the fire. If you call 9-1-1, we will ask that you contact Campus Safety afterward as there can be a delay in the EMS response to the campus. Call Public Safety at 860-231-5222 or 5222 from a campus extension. Identify yourself and provide as much specific information as you can in a calm manner.
2. After sounding the Fire Alarm, your first concern is to get out of the building. As a member of the University community, you are encouraged to assist everyone out of the building without putting yourself in harm's way. On your way out of the building, knock on doors and announce that everyone needs to evacuate the building. Do not wait for an answer. Assist those who need assistance with either leaving the building or hearing the alarm. Never assume that fire alarm activation is a prank.
3. Prepare and evacuate the building by way of the nearest emergency exit. Walk; do not run. Do not use elevators. Assist any person in immediate danger to safety, if it can be accomplished without risk to yourself.
4. Calmly assist visitors during alarm/emergency situations. Visitors may not be aware of exits/alternative exits and the procedures that should be taken during alarm situations.
5. Close but do not lock all doors as you leave.
6. Before exiting through any closed door, check for heat and the presence of fire behind the door by feeling the door with the back of your hand. If the door feels very warm or hot to the touch, advise everyone to proceed to another exit.

In Residence Halls

The residence life staff will assemble students in their assigned Meeting points. Please remember that all Residence Halls have multiple emergency exits and the hall staff should direct residents to use them. Once you have arrived at your assigned Meeting point begin to assess which students have arrived from your residence hall. Help to ensure that all students stay at their Meeting points.

1. Meeting point for Madonna, Assumption, McAuley and Rosary Residence Halls.
 - a. In the event of a Fire alarm all occupants in these locations will proceed to the grass green located directly in front of the buildings.
2. Meeting point for North and South Residence Halls.
 - a. In the event of a Fire alarm all occupants in these locations will proceed to the grass green located directly east of the buildings.

In Academic and Administration Buildings

Faculty and staff will assemble students/building occupants in their assigned Meeting points. Please remember that all buildings have multiple emergency exits and faculty/staff should direct everyone to use them. Once you have arrived at your assigned Meeting point begin to assess which individuals have arrived from your building. Take note of those who are not there and report to Campus Safety those are missing. Help to ensure that everyone stays at their Meeting points.

1. Meeting point for Mercy Hall, Lourdes Hall, and McGovern Hall: In the event of a Fire alarm all occupants in these locations will proceed to the grass green located directly at the main entrance of the buildings.
2. Meeting point for McDonough Hall:
 - a. In the event of a Fire alarm all occupants in these locations will proceed to the grass green located directly in front of the building, by the flagpole.
3. Meeting point for McDonough Hall (in the event of a fire in a chemistry lab):
 - a. In the event of a Fire alarm in this building that involves a chemistry laboratory, care must be taken in finding an evacuation route away from potentially toxic fumes. Wind direction should be taken into account in this event. If the wind is blowing towards the flag pole, the McDonough Hall evacuation route will go to the grass area behind the Pope Pius XII Library.
4. Meeting point for Pope Pius XII Library, Lynch Hall and the Bruyette Athenaeum:
 - a. In the event of a Fire alarm all occupants in these locations will proceed to the grass green located directly in back of the buildings.
5. Meeting point for Chapel and Facilities Garage:
 - a. In the event of a Fire alarm all occupants in these locations will proceed to the grass green located directly behind the North/South Residence Halls.
6. Meeting point for O'Connell Athletic Center:
 - a. In the event of a Fire alarm all occupants in these locations will proceed to the track located directly on the side of the building.
7. Meeting point for CARE Building and Gengras Center:
 - a. In the event of a Fire alarm all occupants in these locations will proceed towards the grass green by Mercy Hall.
8. Meeting point for the School for Young Children:
 - a. In the event of a Fire alarm all occupants will be brought to the gazebo located on the south side of the building.

Upon Exiting the Buildings

Upon exiting the building and proceeding to the Meeting points, remain at least 50 feet away from the building walls and overhangs. Do not block any driveways, as Fire Department personnel will need access to these areas. Students are requested to report to their assigned meeting point as defined by the Evacuation Procedure maps.

The cessation of an alarm/departure of the fire department is not an "all clear" to re-enter the building as corrective measures may still be in progress. Public Safety and the West Hartford Fire Department will make a sweep of the building and assess the situation from that point. Stay clear of the building until the Fire Department, or Public Safety has advised you that it is safe to re-enter the building/area.

In the event you are unable to exit the building:

- a. Remain calm; do not panic
- b. If there is smoke in the room, keep low to the floor; crawl if necessary
- c. Place a cloth, wet if possible, over your mouth to serve as a filter
- d. Before passing through any doors, feel the metal door-knob and the door. If it is hot, do not open the door. Attempt an alternative exit.
- e. Open the windows from the top, if possible (to let out the smoke and the heat) and from the bottom (to let in fresh air).
- f. If you cannot exit out of the window, signal for help from a window. Hang something out of the window to attract the attention of the Fire Department, such as a pillowcase or shirt.
- g. If you can open the door (if it is not hot to the touch), brace yourself against the door and open it slowly in order to make sure there is no heat or heavy smoke on the other side. If there is, then close it again.
- h. If you are able to leave the room through the door, close it as you exit.
- i. Go to the nearest exit or stairs. If the nearest exit is blocked by fire, heat or smoke, go the alternate exit.

- j. If all exits on the floor are blocked, go back to your room/office, close the door, open the windows as described, wave something out the window and shout for help.

The School of Pharmacy Campus

The School of Pharmacy Campus is located at 229 Trumbull Street attached to the XL Center in Hartford and is protected by a full coverage fire alarm system.

Meeting point for the School of Pharmacy: In the event of a Fire alarm all occupants will proceed to the sidewalk area located at the north/east corner of the building near the intersection of Trumbull Street and Church Street.

Fire Precautions Do:

- Locate fire alarm pull station nearest your room.
- Know emergency phone numbers.
- Keep exit doors, hall doors and stairwell doors closed and free from any posting or obstructions.
- Know alternate escape routes from your room.
- Use only fire-retardant materials and equipment and UL approved appliances.
- Comply with proper usage of potentially hazardous items.
- Realize that emergency lighting is designed for this purpose only and not for long-term use.
- Place telephones and wires on floor close to wall.
- Observe all other emergency considerations.

Fire Precautions Do Not:

- Tamper with fire alarms or fire extinguishers.
- Block hallways, stairs, stairwells, room doors or any other areas leading to exits.
- Store items in stairwells, under stairs or in corridors.
- Fight an electrical fire with a water or soda acid extinguisher.
- Overload electrical circuits.
- Leave microwave ovens unattended in the kitchen areas.
- Smoke in buildings.
- Dispose of cigarette materials in trash containers; use metal receptacles that are provided.

Maintenance Emergency

For a maintenance emergency during non-business hours, call Public Safety at 860.231.5222.

Campus Threat Assessment Team

In accordance Connecticut General Statutes 10a-156a – Security protocol plan, Threat assessment team, the University of Saint Joseph has established a trained threat assessment team. Threat Assessment Team members include the Vice President for Student Affairs, Director of Public Safety, Associate Director of Student Affairs, Assistant Director of Residential Life, Associate Director of Public Safety, Director of Counseling and Wellness , and Assistant Dean for Academic Affairs.

This team has two important functions:

The first is to heighten awareness by all faculty and staff regarding potentially at-risk students and other individuals on campus through effective educational strategies. The University recognizes this concept as an important safety measure designed to educate faculty and staff on how to recognize and respond to students and other individuals who may be at risk of harm to themselves or others.

The second is providing a practical, strategic and coordinated approach to threat assessment. Once receiving information of a potential threat, the team shall identify, investigate, assess, and manage any interpersonal or behavioral threat to the safety and wellbeing of campus students, faculty, staff and visitors. Counseling and Wellness

Center, the Campus Assistance Team or the Human Resources Office will notify the Threat Assessment Team of threatening or violent behavioral issues brought to their attention.

The Threat Assessment Team strives to intervene in issues before they evolve into a crisis. Team members have received specific threat assessment training which allows them to carry out security protocol identified in the Critical Incident Management Plan. The Team has adopted a systematic process to address campus risks, and seeks to identify and prioritize the most significant issues before conducting a causal evaluation and engaging in coordinated intervention. The Threat Assessment Team will not only address specific threats, but also general risks and identified vulnerabilities.

Recognizing the Warning Signs of Threatening or Violent Behavior

As a member of the University of Saint Joseph community you may come in contact with individuals experiencing personal distress or difficulties coping with university life, academic, work related or personal issues. These individuals may reveal problems to you through personal communication or indirectly by their general behavior.

While there is no exact method to predict when a person will become violent, an individual may display one or more warning signs before engaging in violent behavior. While these signs do not necessarily indicate that an individual will become violent, this type of behavior should trigger concern as they are usually exhibited by people experiencing stress or interpersonal problems. Research has indicated that individuals who consider carrying out targeted violence don't just "snap." Most will exhibit signs or triggers:

- Plan or prepare for the act.
- Consider the act before hand.
- Discuss the act with others.
- Demonstrate troubling behavior to others.
- Appear desperate or verbalize desperation prior to an attack.

Please be aware that the behavior(s) identified above call for your action and support. It is very important to emphasize that everyone has a role in promoting campus safety.

How to Report Threatening or Violent Behavior

Immediate and Readily Apparent Threatening or Violent Behavior

Report the following immediately by dialing 911 or Contacting USJ Public Safety at ext. 5222

- Any immediate and readily apparent threatening behavior or violent actions.
- If you believe someone is in imminent danger of harming themselves or others.

Suspected or Potential Threatening or Violent Behavior

- Student Intervention
 - If you are concerned about a student, but it is not an imminent dangerous situation, call the Associate Director of Student Affairs Office at ext.5629 or by contacting USJ Public Safety at ext. 5222

Complete the "Tell Somebody" online report form link at USJ Tell Somebody Report Form to provide detailed information on any behavioral matter that is concerning you and should be reviewed.

- Employee Intervention (or others)
 - To intervene on behalf of someone who is not an imminent danger to themselves or others but is displaying signs or triggers that they may need help, contact your immediate supervisor or call the Director of Human Resources Office at ext. 5390 or by contacting USJ Public Safety at ext. 5222

Complete the "Tell Somebody" online report form link at USJ Tell Somebody Report Form to provide detailed information on any behavioral matter that is concerning you and should be reviewed.

When reporting potentially threatening or violent behavioral issues please make every attempt to provide the information below. Using "Tell Somebody" online report will help guide you through the process.

- Identity of the individual who may need assistance.
- The demeanor or specific behavior of the individual.
- Possible triggers for the behavior.
- Where the incident took place.
- Date(s) and time(s) the behavior was observed.
- If this is the first time you have witnessed or been made aware of the individual's actions.
- Identify anyone else who witnessed the incident.

Academic Affairs

Discontinuing Academics: All matriculated undergraduate and graduate students

Official University Withdrawal

If a student does not plan to return to the University of Saint Joseph, they must file a completed and signed University Intent to Withdraw [Form](#) with the registrar's office prior to the drop deadline of the major semester from which the student wishes to withdraw (fall or spring). In the School of Pharmacy, summer is also considered a major semester. If the University Intent to Withdraw Form is filed by the drop deadline of a current or future semester, all courses for which the student is registered in the semester of the withdrawal will be dropped from the student record and a statement of "Withdrawal" will be entered on the student's academic transcript. Matriculated graduate and undergraduate degree seeking students who officially withdraw and who have not attended for three or more consecutive semesters, excluding summer, must apply for readmission through the appropriate Office of Admissions (1st Floor, Mercy Hall). They must also follow the degree requirements associated with the term of their readmission to the University. (Former non-degree students may be readmitted as non-degree only.) Failure to complete a University Withdrawal Form by the drop deadline of a current or future semester will result in tuition liabilities for courses in which a student is registered for that semester.

Loan repayment (Official University Withdrawal)

Any discontinuation of continuous enrollment of more than 180 days is subject to activation of student loan repayment. Students who are no longer registered at the University of Saint Joseph should contact the Student Financial Services (2nd Floor, Mercy Hall) at 860.231.5223 to discuss and understand the conditions of their enrollment status and loan repayment obligations.

Medical and Academic Leaves of Absence Procedure

General Conditions for All Student Leaves

Leaves of absence are defined as a temporary separation from the university for one semester (fall or spring). Upon returning from a leave of absence, a student does not need to reapply to return to the university and is able to register for classes up to the add/drop deadline of the semester of the student's return.

The two types of leaves are the Academic Leave of Absence and the Medical Leave of Absence.

- **Academic Leaves of Absence** are available for students experiencing extenuating circumstances that require them to temporarily separate from the university, such as a family emergency or a call to military service.
- **Medical Leaves of Absence** are available for students experiencing physical or mental health difficulties or conditions (including pregnancy) that require them to temporarily separate from the university.

Both types of leaves include request and return request forms in their processes. The Intent for a Leave of Absence Request form can be found [here](#).

Prior to requesting a leave of absence, students are expected to consult with their academic advisors and Student Financial Services regarding how a leave of absence would impact the student's program of study and financial aid. Should the request for a leave occur after university deadlines for housing cancellation and/or tuition refund have

passed, the student is responsible for housing and/or tuition fees for the current semester in which leave is granted. Graduate students are expected to consult with the Graduate Office prior to requesting a leave of absence.

Leaves of absence are recorded on the student's transcript as "LOA." If the student does not register by the add/drop deadline of the semester for which they are to return, they will be reported as not enrolled at the university.

A leave of absence is a separation of the student from participation in USJ's academic activities, including interviewing for off-campus placements. Leaves of absence are not granted for the purpose of allowing a student to study at another university.

If a student takes a leave of absence and is later suspended or expelled as the result of a conduct decision, or is placed on probation for unsatisfactory academic performance, the sanctions take precedence over the leave of absence and stand as a matter of record. Any academic warning becomes operative at the time of return to the university.

Leaves of absence are not able to be granted retroactively.

An involuntary medical leave of absence takes precedence over a voluntary leave of absence and the student is expected to comply with the terms of the medical leave if there is an involuntary medical leave of absence implemented.

Loan Repayment (Student Leave of Absence)

Accordingly, during the time of an approved leave, a student will not be considered as withdrawn from the university and the student's loans will not go into repayment. Any leave that exceeds 180 days will result in the student being withdrawn from the university and the student will be subject to the federal loan repayment schedule.

Any discontinuation of continuous enrollment of more than 180 days is subject to activation of student loan repayment. Students seeking consultation regarding loan repayment should contact Student Financial Services (2nd Floor, Mercy Hall) at 860.231.5223 to discuss and understand the conditions of their enrollment status and loan repayment obligations.

Leave for Pregnancy

A student may request a medical leave of absence for pregnancy and delivery at any time. Students requesting a leave for pregnancy may contact Student Health Services at healthservices@usj.edu. Students requesting a leave for pregnancy are not required to submit documentation to request or return from the leave. Students petitioning to return to the university from pregnancy leave who were in good academic standing at the time of their leave will typically be granted readmission. Pregnant and parenting post-secondary students have legal rights under Title IX. Pregnant and parenting students are encouraged to contact Rayna Dyton-White, USJ's Title IX Coordinator, with questions relating to Title IX. Rayna may be reached at: rdytonwhite@usj.edu. Additional information about the University Parenting and Pregnancy Policy, click [here](#).

Leave for Military Service

A student may request a leave for military service at any time. Students petitioning to return to the university from military service who were in good academic standing at the time of their leave will typically be granted readmission.

Academic Leaves of Absence

Academic (non-medical) leaves of absence may be arranged for one semester (fall or spring), subject to departmental and school approval. Academic leaves of absence are available for students experiencing extenuating circumstances that require them to temporarily separate from the university, such as a family emergency or a call to military service.

Students may request an academic leave of absence up until the last day of classes of the semester for which leave is requested. It is very important that the student understand that such leave could affect course sequencing or academic progress toward degree. In some cases a leave of absence may delay a student academic plan. Students may request an academic leave of absence by completing the Academic Leave of Absence Request Form and submitting it to the Registrar's Office. The Provost (or designee) will then review the request with appropriate university staff. After the request has been reviewed, the student will be contacted via their USJ email regarding the outcome of the request, which may include an invitation to schedule an appointment with the Provost to discuss the request.

To request the return from an academic leave of absence, the student may complete the Intent for a Leave of Absence Request [Form](#) and submit it to the Registrar's Office. The student will be contacted via their USJ email account regarding the outcome of the request. Students are advised to submit the request to return from an academic leave of absence at least two weeks prior to the start of classes to ensure the request is reviewed prior to the start of the semester.

Medical Leaves of Absence

Medical leaves of absence may be arranged for one semester (fall or spring), subject to departmental and school approval. Medical leaves of absence are available for students experiencing physical or mental health difficulties or conditions that require them to temporarily separate from the university.

Students may request a medical leave of absence up until the last day of classes of the semester for which leave is requested. To initiate the request for a medical leave of absence, documentation from the student's current medical or mental health provider must be submitted. The student's provider may complete a *Medical Leave of Absence Request – Provider Form*, to be submitted to the Counseling and Wellness Center (for mental health conditions) or Health Services (for physical health conditions), located in the Little Red House on the main campus. The student must also sign a Release of Information Form to grant permission for USJ's Counseling and Wellness Center or Health Services to communicate with the student's provider should additional documentation or clarification regarding the documentation be needed.

The Vice President for Student Affairs (or designee) will then review the supporting documentation with appropriate university staff. After the documentation has been reviewed, the student will be contacted via their USJ email to schedule an appointment to meet with the appropriate Director (Health Services or Counseling and Wellness Center) to review the request for leave and plan of care. The Dean of Student Affairs will then advise the student via their USJ email account of the outcome of the request and whether they are approved for a medical leave of absence.

To request the return from a medical leave of absence, documentation from the student's medical or mental health provider must be submitted. The student's provider may complete a *Medical Leave of Absence Return – Provider Form*, to be submitted to the Counseling and Wellness Center or Health Services, located in the Little Red House on the main campus. Documentation to support a return from a medical leave of absence should be submitted no earlier than three weeks prior to the start of the semester for which return from leave is requested.

The Vice President for Student Affairs (or designee) will review the supporting documentation with appropriate university staff. After the documentation has been reviewed, the student will be contacted via their USJ email to schedule an appointment to meet with the appropriate Director (Health Services or Counseling and Wellness Center) to review the request for return and continued plan of care. The Dean of Student Affairs will then advise the student via their USJ email account of the outcome of the request, as well as whether specific conditions will be implemented upon approval of return.

If there is a need for academic or housing accommodations upon return, the student should submit documentation of disability to Accessibility Services to initiate services and request reasonable accommodations. Additional information about Accessibility Services can be found on the Accessibility Services website on MyUSJ. The Accessibility Coordinator, Jennifer Boylan, may be reached at: Accessibility@usj.edu

Involuntary Leave of Absence

The University may place a student on an involuntary leave of absence when there is a concern for the health and safety of the university community. This process is initiated when a student demonstrates behavior that poses a threat to the health or safety or disrupts the learning or residential living environment of others. The university is committed to supporting a student in distress. An involuntary leave will be initiated after an individualized assessment and when the risk cannot be eliminated or reduced to an acceptable level through reasonable accommodations and on-campus supports. This policy is not intended to be disciplinary in nature but to support the student while preserving the safety and functioning of the university. It does not replace disciplinary actions taken in response to violations of other university policies including the University of Saint Joseph Code of Conduct.

Procedure

The Dean of Student Affairs (or designee) will make an informed decision based on an individualized assessment to place a student on an involuntary leave of absence. The Vice President (or their designee) will seek an immediate assessment of the student's medical and/or psychological condition from Health Services or the Counseling and Wellness Center staff or other appropriate professionals. A student must release all relevant medical information from Health Services or the Counseling and Wellness Center or treating professional to appropriate university staff. Based on the information gathered, the Vice President (or designee) will determine and inform the student in writing that the student may a) continue to be enrolled with no conditions b) continue as a student with reasonable accommodations or c) be required to take a leave of absence. Students who need a reasonable accommodation for a disability should promptly contact Accessibility Services.

Review of decision

A student placed on an involuntary leave of absence may request, within 10 business days, a review of the decision by the Dean of Student Affairs (or designee). The student must submit the request in writing along with any additional supporting documents. The Vice President (or designee) along with appropriate university staff will review the materials and communicate a final decision within 10 business days. The involuntary leave of absence remains in effect while the leave is under review.

Returning from an Involuntary Leave

A student returning from an involuntary leave of absence must provide recent supporting documentation from their medical professional that confirms that the student's condition no longer poses a significant risk and is fit to return. The medical professional must complete the Medical Return to Campus form and submit this form three weeks prior to the student's expected return date. A student will be required to sign a release for all relevant medical information from their medical professional to appropriate university staff in Health Services or the Counseling and Wellness Center. The Dean of Student Affairs (or designee) will review the supporting documentation with appropriate university staff. Students will make an appointment and meet with the appropriate Director (Health Services or Counseling and Wellness Center) to review the documentation and return plan of care. The Dean of Student Affairs will advise the student of the outcome of this review and whether they are approved to return from their leave of absence, under what conditions and with or without appropriate reasonable accommodations. Students who need an accommodation for a disability in conjunction with their return should promptly contact Accessibility Services. A student placed on an involuntary leave of absence is subject to the same policies in this section, as a student granted a voluntary leave of absence.

Academic Grievance Policy

The University of Saint Joseph Academic Grievance Policy is an umbrella policy to cover any type of academic grievance that is not considered under a separate defined policy. Redress for any grievances covered by the following policies must be pursued according to the procedures specified in the appropriate policy.

- [Appeal of an academic dismissal from the University](#)

- Undergraduate Student ○ Graduate Student ○ Pharmacy Student
- Dismissal from an academic program (see Handbook for your program)
- Removal from a clinical/practicum/internship site (see Handbook for your program)
- [Appeal of a final grade](#)
- [Appeal of an Academic Integrity Sanction](#)
- [Grievance procedure for issues regarding disabilities](#)
- Appeal of financial aid decision financialaid@usj.edu

When a student has a complaint related to their academic program, courses, advising, etc. not covered by one of the above policies and procedures, he or she is encouraged to discuss the matter with the parties involved. If the matter cannot be resolved informally at this level, then the student may file a written, formal complaint. The procedures are:

A student grievance originating in any of the school or administrative units is handled by the department chair/director responsible for the unit in which the grievance originates. The written formal complaint should be submitted by the student to the responsible chair or director within five business days of the failed attempt at an informal resolution. The chair or director should make a decision regarding the grievance within 10 business days of receipt of the formal complaint. The chair or director will inform the student in writing of their decision. If the student is not satisfied with the decision, the student may submit a written appeal within 5 days of the chair/director's decision to the School Dean in the case of an academic department or the Provost in the case of an academic support unit. The dean/provost will inform the student within 10 business days of their decision. The dean/provost decision is final.

Academic Integrity Policy

It is the policy of the University of Saint Joseph that all members of the community act honestly. Student Accessibility Services

Accommodations for Students with Disabilities

Office: Lynch 108

The University of Saint Joseph is committed to providing equal educational opportunity and full participation for individuals with disabilities. The University recognizes its obligations to honor the letter and spirit of disability rights laws, including the Americans with Disabilities Act and amendments, Section 504 of the Rehabilitation Act, and the Fair Housing Act. Should a student encounter a disability-related barrier at the University (physical, attitudinal, educational, and programmatic) for which support or accommodations are needed, the student is encouraged to initiate services with Student Accessibility Services.

Student Accessibility Services facilitates the reduction or elimination of disability-related barriers encountered by students with documented permanent and temporary disabilities such as ADHD, ASD, learning disabilities, psychological disabilities, deafness and hearing impairments, blindness, visual impairments, chronic health conditions and physical disabilities.

The first step to initiating services is to submit documentation of disability to the Accessibility Coordinator. Documentation may be faxed, mailed, emailed, or dropped off at Student Accessibility Services.

After sufficient documentation has been received and reviewed, the Accessibility Coordinator will email the student to make an intake appointment.

The intake appointment consists of completing paperwork and discussing accommodations, including the process for requesting and implementing accommodations each semester.

Please note that academic accommodations must be requested each semester, as they do not roll over. The Accessibility Coordinator will discuss this process with the student during the intake appointment.

For information about requesting housing accommodations, please see "[Accessible Housing for Individuals with Documented Disabilities](#)".

Dining Services and Meal Plan

Meal plans are available for both resident and commuter students to eat in the McGovern Dining Commons. Resident student meal plans are assigned to student's base on housing assignment, per the Housing Contract. Commuter students may select from any of the available meal plans.

For more information on dining locations and meal plans [click here](#).

To enroll in a Meal plan as a commuter student, complete the [meal plan election form](#) located on [Card Services](#) my USJ page.

Counseling and Wellness Center

The Counseling and Wellness Center (CWC) provides supportive services and educational wellness programming.

The CWC provides free (virtual and in-person) confidential individual and group counseling, assessments and referrals to all students enrolled in University of Saint Joseph undergraduate and Graduate Schools.

The Wellness Center offers student space to meet and study while offering a variety of fun educational outreach programming to enhance the healthy development of the physical and mental well-being of the campus community. The CWC offers undergraduate and graduate paid, volunteer and internship opportunities. Walk in any time to enjoy the space or to attend an event, no appointments needed.

Appointments

Appointments can be made by calling the CWC main line at 860.231.5233 and by emailing CWC@usj.edu. Except for emergencies, counseling sessions are by scheduled appointments.

Crises Information

If you are on-campus and are in need of emergency psychiatric assistance call 860.231.5222 for campus safety or when open call or go to the CWC in the Little Red House. If you are off campus and require emergency assistance please call 911 or visit your closest emergency room.

For more information about current hours, calendar of events, supportive services or booking the conference room [click here](#).

Campus Ministry

University of Saint Joseph Campus Ministry strives to unify the campus by nurturing a Catholic and [Interfaith](#) community that is centered on our Core Values. Campus Ministry focuses on the Core Value of Catholic Identity by offering [liturgical celebrations](#), annual retreats, engagement with other Catholic campus ministries,

and additional programming to enhance Catholic social teachings. We also support other faith backgrounds by providing interfaith and ecumenical prayer services, retreats, social gatherings, and collaborations that enhance learning, [develop faith](#), and create unity. Community Engagement

The Office of Community Engagement promotes and facilitates service as an integral part of the University's teaching and learning experiences. For more information about community engagement, [click here](#).

Office of Diversity and Inclusion/Title IX

The Office of Diversity and Inclusion/Title IX is responsible for programming and educational events for the campus community with the goal of promoting respect, consent and inclusivity. This office also responds to complaints of discrimination.

The Diversity of Inclusion Office and Human Resources are responsible for overseeing the response to complaints of discrimination, harassment and other prohibited acts as deemed by law and university policy. Please refer to the USJ [website](#) for more information.

University of Saint Joseph will act on any formal or informal notice or complaint that is received by the Title IX Coordinator or other campus community members. Incidents that fall outside of the U.S. Dept. of Education's definition of Title IX may still violated the Student Code of Conduct and may be referred to Student Conduct Officer. Please refer to the USJ Title IX policy for definitions and information [here](#).

Health Services

USJ Student Health Services offers confidential primary care services to enrolled undergraduate and graduate students. For more information regarding hours and location, services, health records and forms [click here](#).

Department of Public Safety

The Department of Public Safety provides security on our West Hartford campus 24-hours a day, seven days a week. Public Safety Officers are trained in First Aid, CPR and AED use.

For more information on safety procedures and parking [click here](#).

JayCard

Each student is issued a USJ ID card (Jay Card), which should be carried by students at all times. The Jay Card provides students access to many of the facilities around campus, including the residence halls and the O'Connell Center. The Jay Card is also used for event sign in, the meal plan, pay-to-print, and JayBucks.

For more information about how to get your JayCard, and the resources the JayCard provides to students, click [here](#).

Key and Card Access

The Department of Public Safety is responsible for the safety and security of the campus community. Students may be granted access to buildings or rooms on the University campus via the JayCard or key distribution. Resident students in traditional residence halls are issued a room key to provide access to their bedroom. Students in the suites are granted access to their suite and bedroom via the JayCard. All keys and card access are granted for individual use, and are not permitted to be shared. As key holders, individuals will assume responsibility for the safekeeping and eventual return of university keys. Unauthorized duplication of University keys is strictly prohibited.

If a key is lost or stolen, it should be reported to Public Safety and Residential Life immediately. Keys will not be replaced until a report has been filed with Public Safety.

The replacement charge for a lost room key is \$100. The replacement charge for a lost student ID is \$25. All lost key and USJ ID charges will be added to your student account.

Residential Life

University Owned Housing

The University of Saint Joseph offers traditional style residence halls, and a limited number of suite style apartments for students.

Residential Hall Staff and Organizations

Assistant Director of Student Affairs – Residential Life

The Assistant Director of Student Affairs – Residential Life (AD) is a full time, master’s level professional who oversees the day-to-day operations of Residential Life, directly supervising the Area Coordinator. The AD oversees housing assignments, meal plans, housing contract release, and serves as a conduct officer.

Residence Coordinators

A Residence Coordinator (RC) is a full-time, live-in staff member who serves as a supervisor to Resident Assistants and administrator of the residence hall community. The role of an RC is to support the Assistant Director of Student Affairs—Residential Life to develop and train student staff members, coordinate programming to provide for the needs of the students in the residence halls, provide crisis management, and serve as a conduct officer.

Resident Assistants

Resident Assistants (RA) are student staff members for Residential Life. As student leaders, they are trained to assist students with personal, interpersonal, and academic needs. RAs facilitate programming in the residence halls to provide a sense of community, and to engage resident students in the core values and mission of the university.

Residence Hall Council

Residence Hall Council (RHC) is a student-run organization that helps enrich the USJ student experience with community programs centralized around the residence halls. The executive board is a group of students who are elected by members of the residence halls to represent the community.

General Information

Living on campus at the University of Saint Joseph enriches your university experience and provides you a home away from home. Resident students develop strong friendships, have extensive leadership opportunities, participate in activities on the evenings and weekends, and have access to the support needed to achieve their academic goals.

Residences halls are equipped with kitchen facilities with microwave ovens, and lounges with TV access and soda and snack vending machines. Washers and dryers are provided in each residence area and are operated by coin, Jay Card, or credit/debit card. Each resident receives a bed frame and extra - long twin mattress, desk and chair, closet and dresser. To make yourself comfortable, you should bring extra-long twin sheets, pillow, curtains, towels, blankets, a lamp, lightbulbs and if desired, rugs.

Room Condition Reports

When a resident checks into a space, a room condition report (RCR) will be assigned to them. If there is any damage in the room or items missing not indicated on the RCR, the resident should notify their RA or ARC to document the damage or missing items. The resident accepts the responsibility for damages and items missing at the end of the semester (or expiration of the license) which are not listed on the RCR. Damage to the halls, lounges or other common area is the responsibility of the resident. In those cases when the identities of the parties who caused the damage to the hall, lounges or other common area cannot be determined, the University will charge the residents residing in the area or hall.

Maintenance

Requests for maintenance work orders should be submitted through eRezLife. By submitting a work order, a student is giving permission for a member of the facilities staff to enter the resident room and assess the issue. If a resident would prefer to be present at the time of the repair, that can be entered in the work order along with contact information, but cannot be guaranteed.

North and South residence hall bathrooms are cleaned once per week. Assumption, Madonna, McAuley, and Rosary residence hall common areas will be cleaned daily, Monday – Sunday.

Roommates

Once a resident has completed their housing application, they are able to search for and request a roommate using the [eRezLife portal](#) called RoomeeZ. Students who are seeking to request a roommate must know their roommates USJ email address. All requests must be mutual to be granted. Students who are searching for a roommate can turn on their profile using RoomeeZ to find a match. Students who do not request their own roommate will be manually assigned using the information provided by both students in their housing application to find the best match. Questions about roommates can be directed to housing@usj.edu.

Room Selection

Returning students are invited to participate in Room Selection during the spring semester through a priority point process. Information regarding the room selection process will be distributed to students in the fall and again in the spring semester. Students who do not have a roommate at the time of room selection will be administratively assigned using the information provided by both students in their housing application, as a roommate is required to participate in room selection. A limited number of single rooms are available but only for documented medical need. Students should see the section entitled “Accessible Housing” for more information.

Security

For the protection and safety of the University of Saint Joseph community, all safety and security concerns should be reported to the Public Safety and Residential Life as appropriate.

Room Change Procedure

Room changes will be handled by the office of Residential Life (McGovern Hall) after the second week of each semester. Students are encouraged to speak to their roommates first regarding minor conflicts. Prior to any room changes, students may be asked to meet with their Resident Assistant and Assistant Residential Life Coordinator to determine the next appropriate steps. The University reserves the right to fill any vacancies that occur in student rooms as needed and failure to have a room ready for a new roommate and/or failure to accept a new roommate could result in disciplinary action.

In the event that housing is full, students would need to do a room swap with another student instead of the traditional room change process. The RA/ARC can help facilitate this process.

Residence Hall Closings

The residence halls close for Thanksgiving break, semester breaks, Easter, and Spring break. With the exception of those who are approved to remain on campus, students must vacate the residential areas. All unauthorized students who do not vacate the residential areas by the designated time are subject to immediate removal, possible fine and disciplinary action.

Exceptions to scheduled arrival or departure times are only made as required by curricular or co-curricular situations and must be cleared by the Assistant Director of Residential Life. Students who are requesting a break extension must submit all requests to the Office of Residential Life by the deadline set at each break. This information is communicated via email. Requests are not guaranteed.

Administrative Moves

The University reserves the right to move a resident from one room to another when the University determines, in its sole and absolute discretion, that the move is in the resident’s best interest, or those of their fellow students and/or the University.

Pets, Service and Support Animals

The only pets allowed in the residence halls are fish that can live in two gallons or less of water. Fish must be removed during University breaks. Guests are not permitted to bring pets into the residence halls and/or University buildings.

Individuals accompanied by a service animal on campus but do not need any disability-related accommodations are not required to register with Student Accessibility Services, nor is such individual required to submit documentation of disability to receive access to their service animal. However, students who require the use of a service animal in University housing must make contact with the Accessibility Coordinator to discuss required vaccination records as well as expectations relating to the use and care of the animal in housing. Students who require the use of a service animal in on-campus classes are advised to make contact with the Accessibility Coordinator to ensure proper notification to the faculty member is made and an understanding of USJ's Assistance Animal Protocol can take place.

All requests for approval of a support animal must be directed to the Accessibility Coordinator. The Accessibility Coordinator may be reached at: accessibility@usj.edu.

Accessible Housing for Individuals with Documented Disabilities

The University of Saint Joseph is committed to providing equal access to its programs, services, and activities, including on-campus housing. Student Accessibility Services works closely with Residential Life to ensure students with documented disabilities are able to enjoy accessible on-campus housing. Students are encouraged to submit requests for accessible housing as early as possible.

Accessible Housing Procedure

Below is the procedure for requesting housing accommodations:

1. Submit documentation of disability to Student Accessibility Services. Documentation may be submitted via fax, email, or mail to USJ's campus.
2. Documentation may be submitted in form of a Documentation of Disability Form for Housing Accommodations (located on the Student Accessibility Services page on MyUSJ) or a letter by the diagnostician or treating professional. Students may also email the Accessibility Coordinator to request the Documentation of Disability Form for Housing Accommodations at: Accessibility@usj.edu
3. Documentation in the form of a letter should contain the following elements:
 - Typed, dated, signed, on letterhead.
 - Formal diagnosis per the DSM V or ICD, if applicable.
 - List of symptoms and functional limitations, as well as their frequency and severity.
 - A discussion of how the student's functioning is substantially limited in the residence halls due to the diagnosis.
 - A rationale for each recommended housing accommodation.

Please note that documentation should illustrate that the diagnosis rises to the level of a disability. In determining disability status, USJ is guided by federal law which defines a person with a disability as one who:

- has a physical or mental impairment which substantially limits one or more major life activities, such as caring for oneself, hearing, learning, reading, speaking, breathing, or working; or
- has a record of such an impairment; or
- is regarded as having such an impairment.

2. Submit the Accessible Housing Application. The link to the application is on the Accessibility Services website on MyUSJ. Students may also email the Accessibility Coordinator for the link.

3. After submission of documentation of disability and/or the Accessible Housing Application, the student will receive an email on their USJ email account regarding the accommodation request. If documentation is missing or is insufficient, the Accessibility Coordinator will email the student regarding the documentation that is needed.

Please note:

- Returning students are advised to submit the request for accessible housing prior to housing selection. Incoming students that submit a request for a documented need for accessible housing will be placed by Residential Life staff based on the accommodation need and available options at the time of the request.
- Students with a documented need for a housing accommodation that can be implemented in any hall (e.g., an electric blanket) will participate in the regular housing selection process.
- Students must submit the university's Housing Application via eRezLife by the deadlines set by Residential Life.

- If a student has already been assigned housing and realizes the housing assignment is not accessible to the student, the student should submit the Accessible Housing Application and documentation of disability. Residential Life will then assess available housing options that most closely meet the need for the requested accommodation.
- Although there is no deadline for requesting accessible housing, students are strongly encouraged to submit requests as early as possible, as accessible housing is dependent on availability and is not guaranteed. Students will be offered regular housing and will be placed on a waiting list if accessible housing is unavailable.

Health and Safety

Members of the Residential Life and Facilities staff inspect all rooms on a regular basis, including during each vacation periods, for health, safety, damage, fire code, and security reasons. Any prohibited items that are found will be confiscated by Residential Life Staff.

Prohibited Items

Prohibited items include, but are not limited to the following:

- Air conditioners (unless approved via Accessibility Services)
- All candles—even decorative, unburned candles
- Immersion cup heaters, hot pots/plates, toasters , microwave ovens, grills
- Sternos
- Kerosene lamps
- Extension cords (surge protectors are allowed)
- Furniture including futons, couches, wardrobes, etc.
- Adhesive decorations—decals, stickers, glow in the dark stars, contact paper, dart board, tape, adhesive light strips, or other items which may damage walls or furniture
- Weapons
- Incense, potpourri burners, fireworks
- Halogen lamps
- Live holiday greens
- Hoverboards , self-balancing scooters, battery operated scooters, hands free segways
- Space heaters and heated blankets.
- Other burning/heating equipment or other potential fire hazards.
- No wall hangings, tapestries, flags or fabric are permitted over plugs, lights, ceilings or doorways.
- Drug paraphernalia and other smoking paraphernalia (campus is smoke free)
- Electrical sockets may not be overloaded.

Window Screens

Removing window screens from any window is prohibited. Residents should not remove or open window screens to pass anything through the window in either direction. Windows should not be used as an entrance or exit from the building unless in an emergency.

Quiet Hours

Resident students and their guests and visitors must abide by the quiet hours that are in effect from 11:30 p.m. to 9:00 a.m. Sunday through Thursday and from 12:30 a.m. to 9 a.m. Friday and Saturday.

Courtesy hours are in effect at all times. Students are to respect the rights of others and must be respectful of the greater community in which they live.

During final exams, quiet hours are in effect for 24 hours beginning at 4:30 p.m. on the reading day before final exams.

Policy on Guests and Visitors

To ensure the safety of community members and property, students are required to comply with the following policy pertaining to guests and visitors.

Guest and Visitors

A visitor is someone who is a current USJ student but does not reside in the residence halls. They must carry their USJ ID at all times while on campus and within the residence halls. A guest is a person who is not a current USJ student. They must carry photo ID and a guest pass at all times. They must also always be escorted by their host while in the halls. Being a visitor should not be used as a substitute for acquiring on campus housing. A student is considered a host at the time they receive a guest by opening a door, allowing entrance to a residence hall room, or otherwise escorting a guest.

The University reserves the right, at their sole discretion, to restrict guest access to the residence halls. Any changes to the guest policy will be communicated to the impacted residents in writing.

Registration

Roommates must agree on the arrival and terms of a guest or visitor prior to registration. Guests and visitors must be registered through eRezLife via the Guest and Visitor Registration Form. Students can register one overnight guest at a time – and are not permitted to have more than one guest spending the night in their room at the same time. Guests are not permitted during the first week of classes and during final exams. Overnight guests and visitors must be at least 17 years of age unless they are sponsored by the university. Guests must be registered as overnight guests if they are staying past midnight, regardless of whether they are actually staying the night. Guests should have a copy of their guest registration form on them at all times.

Visitors who are not properly registered may be removed from the residence halls. Guests who are unregistered may be asked to leave university grounds immediately. The student hosting a visitor/guest who is unregistered could be found in violation of the Guest and Visitor Policy. Non-residential students cannot register a guest or visitor of their own.

Escorting Guests and Visitors

Students hosting guests and visitors must accompany them at all times and are responsible for their behavior as if it was their own. Guests or visitors that cause a disruption or are in anyway non-compliant with the policy may be banned from specific residence halls, all residence halls, or USJ property entirely.

Limitations

Guests and visitors may not spend more than three consecutive nights in the residence halls, and a guest or visitor may not spend more than six nights a month in the residence halls. This applies to both the host and the guest or visitor who is staying. A residential student host may not have multiple visitors or guests in a month if it totals more than three consecutive nights or six nights in a month. The month is calculated based on the calendar.

Guest and Visitor Violations

Guests and/or visitors who violate this policy could be subject to bans from the residence halls (visitors) or a ban from any and all USJ property. If a guest or visitor inhibits a roommate's ability to sleep, study, and/or occupy their space, that will be considered a violation of this policy, as roommates must agree to the guest/visitor. Hosts who are found in violation of the Policy on Guests and Visitors may lose their rights to host guests and visitors on campus in the future.

Cohabitation is not permitted. Please see the Cohabitation Policy below for more information.

Cohabitation Policy

Cohabitation in the residence halls is prohibited. Only the residents who are assigned to the space should be spending more than three consecutive nights and/or six nights per month in residence hall rooms. Guests and visitors who are found to be spending more time than permitted (even with multiple hosts) could be banned from specific residence halls and/or all USJ property.

For Residential Life's purposes, cohabitation is defined as a person who is not assigned to a particular residence hall or space using that hall or room as if they lived there. This includes but is not limited to:

- Using the room while the assigned occupants are not there
- Utilizing a key/ID Card that is assigned to another person to access the space
- Keeping clothing and personal belongings in the room
- Sleeping overnight in the space on a regular basis (more than the three consecutive nights or a maximum of six nights per month)
- Using the bathroom and shower facilities as if they were living in that space.

Guests or visitors who violate this policy could be subject to residence hall bans or bans from all USJ property. Hosts may lose their ability to have overnight visitors and/or lose their ability to live on campus. Please see the Guest and Visitor Policy for more information.

Residence Hall IT Requests

If a student needs technical assistance including but not limited to Wi-Fi access, IPTV set up, or best effort on a personal device, the Office of Information Technology Help Desk is available using the Service Portal at MyIT.usj.edu, phone 860.231.5310, or by visiting McDonough Hall Lower Level.

Office of Student Activities and Leadership Development

The Office of Student Activities & Leadership Development has the responsibility for the supervision of undergraduate extracurricular activities, except those of the Athletic Department, Residential Life, and Academic Affairs. With the approval of the University's President and through collaboration with the Student Government Association, the Office of Student Activities & Leadership Development has the authority for the allocation and commitment of the Student Activity Fee to support the educational, cultural, social, and recreational activities of the institution. Operating within the general policies of the University, Board of Trustees, and the State of Connecticut, the Office of Student Activities & Leadership Development develops the necessary rules, regulations, policies, and procedures to ensure sound fiscal management of those funds appropriated to eligible student clubs and organizations.

Student Organization Overview

A student organization is a group of undergraduate students who are committed to enriching the learning environment through extracurricular engagement. Student organizations at the University of Saint Joseph fall into one of two categories: SGA Funded, meaning that they receive funding from the Student Government Association and Non-SGA Funded, meaning that they receive funding from external sources such as from a department on campus (i.e. Athletics, Residential Life, or Academic Affairs). All SGA-Funded organizations are open to all enrolled University of Saint Joseph undergraduate students. All SGA-Funded student organizations and respective members are required to adhere to the university policies outlined in this handbook and must be approved by the Office of Student Activities (2nd Floor, McGovern Hall). For all policies and procedures view the Student Clubs and Organization manual [here](#). Please note that it is only accessible if logged into myUSJ.

Other University Statements and Policies

Alcohol and Other Drug Policy

The well-being and safety of students in our community is of utmost importance. Thus, the University of Saint Joseph focuses on empowering our students to make healthy decisions about their behaviors that affect themselves and the university community.

University of Saint Joseph's policies, resources, and prevention programs focus on reducing unhealthy, risky behaviors and engaging in responsible, safe, legal student behaviors. The behavioral expectations of students related to alcohol and drug use are outlined in our Student Code of Conduct. Students who are determined to be responsible for violating the Student Code of Conduct for alcohol and/or controlled substances may receive one or more sanctions. A list of possible sanctions can be found in the Student Code of Conduct.

Legal Consequences

University of Saint Joseph students are subject to state and federal laws regarding the use, possession and/or distribution of alcohol and other drugs. The laws and possible legal consequences are described below:

Alcohol

Alcohol: 30-89(a) of the Connecticut General Statutes declares that it is unlawful for a minor (under the age of 21) to purchase, attempt to purchase, or make a false statement in connection with the attempted purchase of alcohol. 30-89(b) declares that possession of alcohol by a minor in public or private is illegal, except where the minor is accompanied by a parent, guardian or spouse over the age of 21.

Drugs

Drugs: Connecticut laws cover the possession and distribution of controlled substances. These laws can be found at: <https://www.jud.ct.gov/lawlib/law/drugs.htm>. See Connecticut General Statutes Secs. 21a-240 to 21a-315. Federal law states that it is unlawful for any person knowingly or intentionally – (1) to manufacture, distribute, or dispense, or possess with intent to manufacture, distribute, a controlled substance; or (2) to create, distribute, or dispense, or possess with intent to distribute or dispense, a counterfeit substance. More comprehensive information on federal drug laws and penalties can be found at: <https://www.deadiversion.usdoj.gov/21cfr/21usc/index.html>.

Statement on Medical and Recreational Marijuana

Although Connecticut state law permits the use of recreational and medical marijuana, the use, possession, and/or distribution of marijuana remains prohibited under federal law. As a recipient of federal funding, the university is required to prohibit the use and/or possession of marijuana. Thus, the use and possession of marijuana in any form, even if accompanied by a Connecticut-issued medical prescription, is not permitted on university property. The University remains a smoke-free/tobacco-free/marijuana-free campus. See [policy](#) below.

Alcohol and Other Drug Policy

Alcohol and Drug Education

Whether or not you choose to drink, you will eventually know someone who does. We want every student joining the USJ community to have an appropriate and accurate understanding of alcohol & drugs and associated risks, including legal, student conduct and health impacts.

USJ is committed to preventing drug use/abuse, underage alcohol use, high-risk drinking and alcohol abuse on our campus, and has joined with many top Universities in implementing Everfi training as a part of our alcohol education and abuse prevention initiatives.

All students are expected to complete EverFi's online modules prior to arriving on campus in August. Students will receive an invitation via email.

Health Risks of Alcohol Use

The National Institute on Alcohol Abuse and Alcoholism outlines the following health risks from drinking too much over time or on a single occasion:

- Alcohol can change mood and behavior as it interferes with the brain’s communication pathways. This makes it harder to think with clarity and move with coordination.
- Drinking too much on a single occasion and/or over time can damage the heart, leading to medical issues such as high blood pressure, stroke, irregular heartbeat, and weakening of the heart muscle (cardiomyopathy).
- Heavy drinking hurts the liver and can lead to life threatening liver problems such as fatty liver, alcoholic hepatitis, fibrosis, and cirrhosis.
- Alcohol causes the pancreas to produce toxins that can lead to pancreatitis, an inflammation and swelling of the blood vessels in the pancreas that interferes with proper digestion.
- Alcohol abuse increases your risk of developing certain cancers including: cancers of the mouth, esophagus, throat, liver and breast.
- Abuse of alcohol can weaken your immune system, making you more susceptible to disease. Chronic drinkers are more susceptible to diseases like pneumonia and tuberculosis. Binge drinking on one occasion reduces your body’s ability to fight off infections – for up to 24 hours after getting intoxicated.

Health Risks of Other Drug Use

The impacts of drug abuse can be far-reaching, affecting almost every organ. The impacts depend on the drugs used, how much is taken, and how they are taken. Health risks of drug abuse include:

- Increased susceptibility to infections due to weakened immune system.
- Cardiovascular conditions ranging from irregular heart rate to heart attacks. Using drugs by injection can lead to collapsed veins and infections of the blood vessels and heart valves.
- Stress on the liver possibly causing significant damage or liver failure.
- Seizures, stroke and brain damage that can lead to memory, attention and decision-making problems. In serious cases, there can be sustained mental confusion and permanent brain damage.
- Behavioral problems including paranoia, aggressiveness, hallucinations, impulsiveness and loss of self-control.

Good Samaritan Statement

University of Saint Joseph is a community that encourages living and learning environments that serve to promote and protect the health and safety of all members. University of Saint Joseph expects all students to abide by state and federal laws, as well as University policies regarding alcohol and drug possession and consumption. However, the University acknowledges that there may be times when students face medical emergencies as a result of excessive drinking and/or drug use.

In an effort to promote health and safety as a first priority for our students, as well as foster responsible student behavior, the Good Samaritan Statement seeks to diminish fear of disciplinary or conduct sanctions for reporting the need for medical assistance for oneself, or another, if needed. If an individual reaches out to a campus authority (911, Public Safety, Resident Assistant, Resident Coordinator) for medical assistance for themselves or another, they may not be subject to typical conduct sanctions for a violation of the alcohol and drug policy, as long as they comply with all assessments and follow-up required by Director of Student Affairs.

A medical transport or non-transport for substance intoxication may still result in participation in the conduct process. However, the conduct sanction will be suspended as long as the student successfully completes a meeting with the Associate Director of Student Affairs, or whomever the Associate Director deems most appropriate to meet with student (i.e. - counseling or health services) to assess student needs.

Failure to complete this meeting may result in further conduct action and the reinstatement of the sanction. Additionally, other subsequent violations of the Code of Student Conduct as found in this handbook could result in reinstatement of the sanction as well.

Repeat or serious incidents will prompt a higher degree of concern, response, and/or sanctioning, as decided by the Associate Director of Student Affairs. A non-intoxicated individual who calls for emergency assistance on behalf of another student or friend experiencing a substance related emergency may not be subject to misconduct action. Please refer to the University Code of Student Conduct for information on the misconduct consequences of alcohol and drug violations.

For the [Guests and Visitors Policy](#) see section on Residential Life.

Medical Transport Policy

A primary concern of the University is the health and well-being of each student; therefore, the University is committed to providing the best possible approach and response for students who are transported to off-campus medical facilities for emergency purposes. When a student is transported to a medical facility for emergency purposes the University may contact the student's emergency contact person (person designated to be notified by student) and notify them of the transport. After a transport, prior to their return to the University, they must meet with either the Director of Health Services and/or the Director of Counseling (depending on the case) to discuss the reason for the transport and assist with needed support services. A release may be required to obtain necessary information from their health professional. Students may not return to the residence halls or any campuses until this information has been shared with the appropriate University personnel and it is determined that the student has the ability to return to the academic rigor of the University.

Noise Policy

It is the policy of USJ to provide a reasonably quiet environment not only for its student body, faculty and staff but for the surrounding neighborhood as well. In an effort to maintain this policy, the University's Department of Public Safety and Office of Residential Life as a standard practice will monitor noise levels, which may be excessive or offensive to the USJ community or to our neighbors. It is the responsibility of Public Safety and the Residential Life staff member on duty to maintain and enforce this policy on an ongoing basis.

For more information about the residence hall quiet hours and courtesy hours, see the [quiet hours policy](#).

Opioid Overdose Policy

The University of Saint Joseph is committed to maintaining safe and substance-free campuses for all students, faculty, staff, and visitors. This policy is adopted in alignment with other University policies and in accordance with the Connecticut Public Act No. 19-191 Sec. 7.

It is the intent of the University to increase awareness about opioid addiction and prevention through the delivery of educational and awareness initiatives. Additionally, the University intends to address the proper training, administration, and usage of overdose-reversing FDA-approved opioid antagonists.

The University will maintain a readily-accessible supply of opioid antagonists to be used in the case of emergencies; has developed specific requirements and procedures concerning the appropriate protocols associated with the administration and use of opioid antagonists; and has identified University-designated personnel responsible for overseeing the purchase, storage, and distribution of opioid antagonists and University-designated emergency response personnel trained for the proper use and administration of opioid antagonists.

Designated Medical and Public Safety Personnel

The University of Saint Joseph has developed and will maintain a written directive, including emergency response procedures that identify individuals trained for the proper use and administration of opioid antagonists, to effectively treat, and reduce fatalities associated with, opioid drug overdoses at their respective campuses.

The University of Saint Joseph has designated its Director of Student Health Services to oversee the purchase, storage, and distribution of opioid antagonists. The supply of opioid antagonists will be stored according to manufacturer guidelines.

The University of Saint Joseph has designated all Student Health Services medical staff and all Public Safety Staff to be trained to administer the opioid antagonists.

The University of Saint Joseph has designated all Public Safety staff to serve as first responders in opioid overdose situations. They will receive appropriate training to administer the opioid antagonist, are responsible for observing the manufacturer's guidelines, and are able to readily access the opioid antagonist kits. The Director of Student Health Services and the Director of Public Safety are responsible for overseeing and developing the procedures for the purchase, storage, distribution, disposal, and reported use of opioid antagonists at each campus. Additionally, they will develop and implement procedures for the appropriate training of individuals to access and administer the opioid antagonist kits in emergency situations. They will keep a record of all trained individuals, and ensure the opioid overdose response training is current.

Location of Opioid Antagonists

Opioid antagonists are stored in the Student Health Services and Public Safety Department offices.

Storage and Disposal of Opioid Antagonists

The University will maintain the supply of the opioid antagonists in accordance with the manufacturer's guidelines. The opioid antagonists must be kept out of direct light, stored at room temperature, and not be subjected to extreme temperatures which may impact the effectiveness of the medication.

The designated personnel are responsible for disposing of expired opioid antagonists through a manufacturer or distributor medicine take-back program, returning the expired medications to an authorized drug collection site, or employing other controlled substance disposal methods in accordance with federal, state, or local laws.

Informing Students and Employees about the Opioid Policy

This policy will be included in USJ's Employee and Student Handbooks. Students, faculty, and employees will receive email notification of the policy and its inclusion in the Employee and Student Handbooks before January 1, 2020.

Reporting Requirements

Prior to, during, or as soon as practicable, the trained individuals, medical personnel, or public safety professionals administering the opioid antagonist must call 911 or notify a local emergency medical services provider after each use of

an opioid antagonist, unless the treated individual has already received emergency medical treatment for the opioid related drug overdose.

The designated personnel are required to maintain a current record of every use or administration of an opioid antagonist kit. The record will be organized by academic year.

Parental Notification for Conduct Incidents

The University of Saint Joseph Policy and Procedures Statement in Accordance with The Family Educational Rights and Privacy Act of 1974.

It is the policy of the University to respect the rights and privacy of students in accordance with federal regulations published by the Department of Health and Human Services for enforcing the Family Educational Rights and Privacy Act of 1974 (FERPA).

The University reserves the right to notify parents/guardian when their student is found responsible for a violation of the University's alcohol or other drug policies, including violation of local, state or federal laws regarding use or possession of alcohol or other drugs that are also violations of institutional policy. This notification will normally take place under any of the following conditions related to alcohol or drug policy violations:

- The student is found responsible for violations resulting in a separation sanction (i.e., suspension from residence halls, suspension or dismissal from the University).
- The violation is the result of excessive/dangerous intoxication including violations that result in the student being placed in protective custody.
- The student's health or safety has been compromised through the use/abuse of alcohol or other drugs.

The University also reserves the right to notify parents/legal guardians when a student is found responsible for misconduct involving violence and/or committing an assault, or any other serious offense.

Policy Statement on Disabilities

The University of Saint Joseph is committed to providing equal educational opportunity and full participation for individuals with disabilities. The University recognizes its obligations to honor the letter and spirit of disability rights laws, including the Americans with Disabilities Act and amendments, Section 504 of the Rehabilitation Act, and the Fair Housing Act. Should a student encounter a disability-related barrier at the University (physical, attitudinal, educational, programmatic), the student is encouraged to make contact with the Accessibility Services Coordinator at accessibility@usj.edu

Posting Policy

Student Organizations are to adhere to the posting policy in the Student Club/Organization Manual. For additional detailed information please see the "[Student Club/Organization Manual](#)".

All posting must adhere to the following: all spelling and information is correct; room reservations and event approval must be complete prior to posting; do not post flyers on glass windows or doors; only use masking tape painters tape, or scotch tape for posting; remove postings within 24 hours after the event or meeting has taken place. Postings containing any false information, inappropriate language, or material that is otherwise inconsistent with the mission and core values of the University of Saint Joseph will not be permitted.

Smoking Policy

The University recognizes the need to create and maintain an environmental quality that sustains and enhances the general health and well-being of its faculty, staff, students, and visitors. All University locations are smoke-free/tobacco-free/marijuana-free environments. Smoking, smokeless tobacco/marijuana products, e-cigarettes and unregulated tobacco/marijuana products are not permitted on or within any property, building, or space occupied by the University of Saint Joseph, including personal vehicles on University property. This policy applies to all individuals on University

property, including but not limited to: students, employees, contractors, subcontractors, volunteers, visitors, and members of the public.

The sale of cigarettes or other tobacco/marijuana products in campus buildings/facilities is prohibited. In accordance with Public Act 87-374, employees will not sell, give, or deliver tobacco/marijuana in any form to anyone under eighteen years of age. Employees are prohibited from using tobacco/marijuana or any form of e-cigarette in the presence of students from The Gengras Center or The School for Young Children, whether the employees are on USJ property or not.

Definitions

- Smoking: Inhaling, exhaling, burning, carrying, or possessing any lighted tobacco/marijuana product, including cigarettes, cigars, pipe tobacco/marijuana or any other lit tobacco/marijuana products.
- Tobacco/Marijuana Products: All forms of tobacco/marijuana, including but not limited to cigarettes, cigarillos, cigars, shisha, pipes, herbal cigarettes, water pipes (hookahs), electronic cigarettes (vaporizers), electronic hookahs, and all forms of smokeless tobacco/marijuana.

Exceptions

- This ban does not extend to the use of nicotine products (e.g., nicotine gum, transdermal patches) used for the purpose of cessation, as long as such products do not impact others or the environment.
- For educational purposes, research involving tobacco/marijuana or tobacco/marijuana products may be approved as an exception to this policy. To ensure the health and safety of any participants, permission must be granted by the Institutional Review Board and Health Services prior to conducting any research.
- Theatrical performances that require smoking to keep the integrity of the production may be permitted, as long as non-nicotine containing products are used. Permission for such usage must be granted by the Director of the Autorino Center and the Director of Public Safety, as well as the Dean of Students for USJ student performances.

Transgender Statement

The University of Saint Joseph affirms the right of all students, regardless of gender identity, to fully access all educational and non- educational opportunities. To that end, we will take steps to ensure a welcoming and inclusive environment, including the following:

- Except where legally prohibited, students may select the gender “marker”* and first name of their choice in USJ record- keeping systems, even if those choices are not identical to the student’s current legal gender and first name.
 - Note: Jenzabar, USJ’s current student information system, currently provides the options “Female” and “Male” for gender. Students who do not identify as either female or male may select “Unreported” when completing this section.
- Students are encouraged to access facilities (e.g., bathrooms, locker rooms) that are consistent with their gender identity. The University strives to ensure that all such facilities include privacy options for the comfort of all students. Concerns about the adequacy of any facilities should be brought to the attention of the Title IX Coordinator.
- Students with concerns about academic matters as related to issues of gender identity should bring those concerns to the appropriate office, including the individual faculty or staff member, Program Director, Department Chair, Dean, and/or Provost.
- Students who believe their concerns regarding issues of gender identity have not been handled appropriately, or who otherwise believe they are subject to bias or discrimination based on gender identity, should report those matters to the Title IX Coordinator.
