

# 2024 FACULTY-STUDENT RESEARCH ROUNDTABLES

- Open to all undergraduate and graduate students interested in learning about research and seeking research opportunities
- Meet research mentors seeking research students and students currently doing research at USJ
- Learn about research in different disciplines and why research is beneficial
- Research Opportunities are available for current undergraduate and graduate students
- Even if you are not actively searching for research opportunities, come network with research mentors and students!

**CENTER FOR STUDENT RESEARCH  
& CREATIVE ACTIVITY**
