CAPITAL PROJECTS

BECAUSE EVERYONE BENEFITS FROM PLAY

Play is such a crucial part of the educational experience, and nowhere is that more important than at the Gengras Center. “Cal’s Place,” a fitness focused playground, where everyone plays together, is named in memory of The Reverend Joseph C. Gengras. Father Cal’s work was the inspiration for the founding of the Gengras Center in 1965. Cal’s Place features an Inclusive Continuous Play Design and provides sensory-rich options that engage our students physically, cognitively, and socially. The expert firm of Friar Architects led a design process that included input from Gengras faculty, staff and students and USJ raised over \$750,000 to support the effort. The following leadership donors made construction of the playground possible:

CHAMPIONS

Edith and E. Clayton Gengras, Jr.
Ashley and E. Clayton Gengras, III
Robyn and Jonathan Gengras
The John G. Martin Foundation

BOOSTERS

The Bruyette Family Foundation
Friar Architecture
William and Alice Mortensen Foundation

A high-angle, low-key photograph of a sports team huddle. Several athletes are visible, wearing white jerseys with "USJ" and "BLUE JAYS" printed on them. They are all looking towards the center of the huddle, with some pointing upwards. The image is overlaid with a dark blue tint.

CAPITAL PROJECTS

TAKE A SEAT!

USJ Athletics is on the rise! We field 14 varsity teams, as well as intramurals, and numerous recreation and wellness programs, resulting in more visitors to our campus than ever before.

*With more than 250 student athletes competing on our outdoor fields and courts, USJ now attracts large and supportive crowds to these venues. We aspire to deliver enjoyable, comfortable, and memorable fan experiences for all, in part by adding new accessible grand-stand style seating for our three new turf fields. Phase One of the plan, seating and a press box at the multi-sport field is complete. Plans and fundraising for the softball and baseball fields in underway. The total cost for this initiative is estimated at **\$560,000** and naming opportunities are available. To date, USJ has raised approximately **\$400,000** to support the effort.*

CAPITAL PROJECTS

A NEW CHAPTER

We are ushering in a New Chapter for the Pope Pius XII Library through the renovation and expansion of the current space. This project will create a welcoming entry to campus, modernize the library, and expand meeting spaces for students and faculty in which to collaborate, study, connect and learn.

*The New Chapter for the Library is projected to cost **\$13.0 million** and will include renovating the current spaces, building the Welcome Center and improving entry ways. The New Chapter Fund will improve the experience of every student at USJ and allow us to provide a warm welcome to all who visit our campus. These newly renovated facilities will offer many naming opportunities to recognize the generosity of our lead donors. To date, USJ has raised over **\$3.7 million** to support the effort.*

IMAGINE...THE SKY'S THE LIMIT GALA

*The University of Saint Joseph extends its deep appreciation to all who supported the Imagine...The Sky's the Limit Gala. Proceeds from the 2024 Gala will support our efforts to refurbish the Pope Pius XII Library, which will undergo a major renovation over the course of the next 18 months. More than **\$1.9 million** was pledged at the event and will allow USJ to continue to enrich the experience of USJ students from their first-year seminars through capstone projects by providing the highest quality academic journals, databases and research tools to our students, and continuing education to our professional library staff.*
